Surface Protection

Events and Seasonal Tourism

Events or seasonal tourism give you a limited time opportunity to significantly increase sales for your business. Vandalism occurring during peak sales opportunities not only damages your image, but may deter limited time customers from giving your store a chance. Glass replacement would be costly and more disruptive, while 3M Anti-Graffiti Film can be removed and replaced quickly, and without the need to remove your windows.

Maintaining Your Image

When you see a building with graffiti or scratches on the window, what do you immediately think about that building or part of town? Your store is your livelihood. Do not let future customers have that opinion about your business. Protect your windows with 3M Anti-Graffiti Film so that signs of vandalism can be removed quickly which can help you maintain your valued reputation.

Civil Unrest

During times of civil unrest, large groups of passionate individuals can quickly generate damage. Use 3M Anti-Graffiti Film to help protect your windows and minimize damage. Damaged glass is very expensive to replace. Why replace the entire window when you can simply replace a cost-effective barrier? 3M Anti-Graffiti Film will reduce the risk of this expensive mistake.
